

hello. i'm muksith

Every design giving me a fresh feel to do, Creative and Innovative

I have no idea when my graphic instructor told me to click the right button of mouse, I'm touching the computer first time in my life. But i learned quick and finished the course as topper.

The Journey

01
YEAR

Graphic Designer 2008-2009

The mighty step to the digital world as a starter in the land of technology, Bangaluru. The role was photo retouching and some graphics

01
YEAR

The Tutor 2009-2010

The web field fascinated me when i was working in Bangaluru and i went back Kerala to study web design. I was a product of Sree Sankaracharya, Kannur and i was appointed as a web tutor in the same after completing my course

07
YEARS

Trainee to Sr. Design Lead 2010-2017

When i was working as trainer, my friend called me and told to me that i am starting a web design company, Do you like to join us? YES, the big yes and started as a trainee. Everthing i have learned here myself and i had become a main pillar of this company and still. Adox give me all
