## THE JOURNEY

### Graphic Designer 2008-2009

The mighty step to the digital world as a starter in the land of technology, Bengaluru.

### The Tutor 2009-2010

[www.sreesankaracharya.ac.in](http://www.sreesankaracharya.ac.in)

The web field fascinated me when i was working in Bengaluru and i went back Kerala to study web design. I was a product of Sree Sankaracharya, Kannur and i was appointed as a web tutor in the same after completing my course

### Trainee to Sr. Design Lead 2010-2017

[www.adoxsolutions.com](http://www.adoxsolutions.com)

When i was working as tutor, my friend called me and told that i am starting a web design company Do you like to join us? YES, the big yes and started as a trainee and i had become a main pillar of the company

### UI/UX, Front end lead 2017-

[www.stirredcreative.com](http://www.stirredcreative.com)

back to where i started. Now handling the role of UI/UX and front-end lead
